Appendix

1) Link to nasdaq.com WEAT historical data

https://www.nasdaq.com/market-activity/funds-and-etfs/weat/historical (Occasionally, this link does not open correctly for some reason. It that occurs, simply Google - "nasdaq.com WEAT historical" and select the following)

https://www.nasdaq.com › ... › Funds + ETFs

Teucrium Wheat Fund ETV (WEAT) - Nasdaq

Dividend **History** · **Historical** · **Historical** NOCP · Option Chain · Short Interest. Showing chart data for the day. Sep 14, 2021 9:38 AM ET.

Then click 'Historical' on the page to navigate to the download page.

2) Link to WEAT data as used in the numeric example section (located on my GitHub site)

https://github.com/123blee/Stealth_Curves.io/blob/main/WEAT_data_in_text.xlsx

3) Link to reformatted nasdaq.com WEAT data for reading into the Bonus section's R code (located on my GitHub site)

https://github.com/123blee/Stealth_Curves.io/blob/main/WEAT_nasdaq_com_data_reformatted.xlsx

4)My LinkedIn site
